Bio/needs

Thierry works in a large bank and gets along well with everyone. During lunch, he often eats the same thing with the same colleagues and wants to change it.

Frustrations

But thierry's colleagues are not very enthusiastic about eating Chinese to go crazy, while being able to speak about development, they are not very courageous unlike thierry

Goals

That is why an application allows him to find Chinese fans to volunt and work as a developer could make him very happy!
